

Digital India Initiatives Showcased and Discussed at IIT-BHU

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a Digital India Awareness Workshop and showcased informative demonstrations of key Digital India initiatives at Indian Institute of Technology, Banaras Hindu University's E-Summit '25 from January 31, 2025 to February 2, 2025.

A interactive stall of Digital India's top services DigiLocker & Entity Locker was exhibited while sessions on key initiatives under the Government's flagship programme- Digital India viz. DigiLocker & Entity Locker, UX4G, Digital Personal Data Protection Bill and OpenForge were presented.

In the workshop, Shri J L Gupta, Director, NeGD gave an insightful address on the Digital India programme and its impact to make both faculty and students aware about various initiatives and its benefits thereof.

Around 200 students from various streams and several faculty members of the university participated in the workshop to learn about the various e-governance platforms and citizen-centric applications and asked questions to the experts. A 'Digital India Quiz' was also organised for the participants wherein 15 students were awarded.
