

Digital India Talk Show Organised at Gautam Buddha University, Greater Noida

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a 'Digital India Talk Show' cum Interactive Session at Gautam Buddha, Greater Noida on November 19, 2024. The event was graced by the Vice-Chancellor Prof. Ravindra Kumar Sinha who gave an enriching opening address.

The workshop included sessions on key initiatives under the Government's Digital India Programme viz. DigiLocker & Entity Locker, Cybersecurity and Digital Personal Data Protection Bill, UX4G, UMANG, Open Forge & API Setu, and ABC-NAD.

Students from various streams and faculty members of the college participated in the workshop to learn more about the various e-governance platforms and applications for citizens and asked questions to the experts. A 'Digital India Quiz' was also organised for the participants which received an enthusiastic response; 13 students were declared winners as well.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities especially in the technological domain.
