

## Digital India Awareness University Workshop organised at BITS, Pilani

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a Digital India Awareness Workshop- 'Digital India Talk Show' at Birla Institute of Technology on February 11, 2025.

The workshop included sessions on key initiatives under the Government's flagship programme- Digital India viz. DigiLocker & Entity Locker, UMANG, OpenForge, myScheme, APAAR ID, API Setu, NCB-MANAS, and Visvesvaraya PhD Scheme.

Several faculty members of the institute, including the Director, Prof. Sudhirkumar Barai participated in the workshop to learn about the various e-governance platforms and citizen-centric applications. They also had a discussion with the NeGD officials for advancing digital initiatives through collaborative efforts.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities especially in the technological domain.
