

Digital India Talk Show Organised For Central University of Rajasthan

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a virtual 'Digital India Talk Show' cum Interactive Session for the Central University of Rajasthan on January 17, 2025.

The workshop included sessions on key initiatives under the Government's Digital India Programme viz. DigiLocker & Entity Locker, myScheme, Digital Personal Data Protection Act 2023, UX4G, UMANG, Open Forge, API Setu and ABC-NAD.

Students from various streams and faculty members participated in the workshop to learn more about the different e-governance platforms and applications for citizens and asked questions to the experts. In the end, a 'Digital India Quiz' was also organised for the participants that received an enthusiastic response and several students were declared winners.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities especially in the technological domain.
