

Digital India Talk Show Organised at National Institute of Technology, Durgapur

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a 'Digital India Talk Show' cum Interactive Session at the National Institute of Technology (NIT), Durgapur on January 10, 2025. The event was graced by Prof. Arvind Choubey, Director, NIT-DGP.

The workshop included sessions on key initiatives under the Government's Digital India Programme viz. DigiLocker & Entity Locker, myScheme, Digital Personal Data Protection Act 2023, UX4G, UMANG, Open Forge, API Setu, ABC-NAD and eSanjeevani.

More than 300 students from various streams and faculty members participated in the workshop to learn more about the different e-governance platforms and applications for citizens and asked questions to the experts. A special session was organised to help on-board students on to the OpenForge platform for strengthening open collaboration efforts. A 'Digital India Quiz' was also organised for the participants that received an enthusiastic response wherein many students won prizes.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities especially in the technological domain.
