

Digital India Talk Show organised in collaboration with KSITM & ICT Academy of Kerala

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a Digital India Awareness Workshop- 'Digital India Talk Show' in collaboration with the Kerala State IT Mission (KSITM) and ICT Academy of Kerala on March 4, 2025.

The event commenced with an inaugural address by Shri Muraleedharan Manningal, CEO, ICT Academy of Kerala, who emphasised the importance of digital literacy and its role in shaping a tech-driven future. The keynote address was delivered by Dr. K Sivaprasad, Vice Chancellor of APJ Abdul Kalam Technological University, who highlighted the critical role of digital infrastructure in enhancing governance and service delivery.

The workshop included sessions on key initiatives under the Government's flagship programme- Digital India viz. DigiLocker & Entity Locker, Digital Personal Data Protection Act 2023, ABC(APAAR)-NAD, and Open Forge.

With the objective of fostering digital awareness among the youth, the workshop aimed to educate students and young professionals about the Digital India Programme, enhancing their understanding of India's digital transformation journey. The event witnessed enthusiastic participation and thought-provoking discussions, making it a significant step toward digital empowerment.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities especially in the technological domain. They are aimed at empowering the youth to actively engage with and benefit from Digital India's transformative initiatives.
