

Digital India Talk Show enthralls Army Institute of Education

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology conducted a Digital India Awareness Workshop- 'Digital India Talk Show' at Army Institute of Education, Greater Noida (affiliated to Guru Gobind Singh Indraprastha University) on February 21, 2025.

The workshop included sessions on key initiatives under the Government's flagship programme- Digital India viz. DigiLocker & Entity Locker, Digital Personal Data Protection Act 2023, ABC-APAAR, and NCB-MANAS.

The workshop was organised as a part of the institute's international conference on 'e-Governance and Education'. Hundreds of students from various streams and several faculty members of the institution participated in the workshop to learn about the various e-governance platforms and citizen-centric applications and asked pertinent questions to the officials. A 'Digital India Quiz' was also organised for the participants that received an enthusiastic response and students got a chance to win prizes.

Digital India Awareness University Workshops are an effort to ensure effective citizen engagement and communication with the youth and students who form the core of India's future, which is filled with promising possibilities especially in the technological domain.
