Ask Our Experts Episode 19: All about Cybersecurity- Beyond the Buzz

- *Ask Our Experts- a live program presented by NeGD, MeitY focuses on Digital India initiatives*
- *The show is broadcast on Fridays at 1 PM on Digital India's YouTube channel*

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology (MeitY) aired the 19th episode of 'Ask Our Experts'- a You Tube LIVE program, on '**Cyber Security'** on April 25, 2025.

The experts present in this episode were Shri Sushil Kumar Nehra, Director, Cyber Security Division, MeitY and Shri Anuj Agarwal, Joint Director, Cyber Security Division, MeitY.

The episode delved deep into the various types of growing cyber security threats and different ways a common citizen can tackle them along with a detailed explanation of threats such as ransomware attacks. Insights were also shared on how to be alert and aware of common cyber frauds and small steps that can be taken to save oneself from falling prey to them.

The experts also talked about the important standards that an organization should have in place to safeguard itself from cyber attacks. Mr. Nehra said that ISO 2700, a globally recognised international standard, provides a framework for organisations to establish, implement, maintain, and continually improve their Information Security Management System (ISMS).

Four 'Digital India Question Ninjas' were announced during the live programme for asking relevant questions to the experts; these winners will be rewarded by NeGD for their participation.

'Ask Our Experts' is a unique program broadcast live on Digital India's You Tube channel (https://www.youtube.com/@DigitalIndiaofficial). The aim of this programme is to engage experts in an interactive discussion on various Digital India initiatives and projects. The program gives citizens a chance to ask questions directly to the officials involved in these citizen-centric projects and get all their queries answered.
