

## NeGD organises Awareness Workshop and Onboarding Exercise for Entity Locker in Patna

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology (MeitY) conducted an awareness workshop on Entity Locker in Patna, Bihar on the theme of 'Ease of Doing Business' on June 9, 2025. This workshop was organised specifically for startups, state government officials, industry associations and partners.

The event was graced by Shri Shyam Bihari Singh, General Manager (Project), Bihar State Electronics Development Corporation Ltd., Shri J.L. Gupta, Director, NeGD, and Mr. Ajay Kumar, Onboarding Head, NeGD.

The workshop featured a detailed presentation on Entity Locker- a digital document wallet for entities, organisations, and MSMEs; there was an interactive discussion on the various use cases of the unique platform, including specific benefits which lead to Ease of Doing Business.

Participants from STPI, GeM, District Field Officers (DFOs), System Integrators (SI), and Bihar Industry Association (BIA), Bihar Associated Chamber of Commerce, and several startup incubator organisations marked their presence in the workshop and many of them asked questions regarding the registration process from the NeGD experts.

In the second session, an on-boarding exercise was held for helping the participating entities get onto the Entity Locker platform in a seamless and real-time manner.

### About Entity Locker

Entity Locker is a pioneering addition to the DigiLocker ecosystem. Committed to revolutionising governance, DigiLocker has proven to be an essential platform for individuals, and now Entity Locker aims to extend these benefits to corporate entities, MSMEs, and other organisations. It enables company directors and proprietors to authenticate their businesses through robust data verification.
