The National e-Governance Division (NeGD) is an independent business division under the Digital India Corporation, Ministry of Electronics and Information Technology. NeGD has been playing a pivotal role in supporting MeitY in Programme Management and implementation of e-Governance projects and initiatives undertaken by various Ministries/ Departments, both at the Central and State levels.

NeGD has been spearheading several innovative initiatives under the aegis of the Digital India Programme. Those have been developed keeping the vision areas of Digital India at the core- providing digital infrastructure as a core utility to every citizen, governance and services on demand and in particular, digital empowerment of the citizens of our country; some of these initiatives include DigiLocker, UMANG, Poshan Tracker, OpenForge Platform, API Setu, National Academic Depository, Academic Bank of Credits, Learning Management System.

It has myriad roles and responsibilities from supporting Central Line Ministries and State Government Departments on e-Governance projects, reviewing State Action Plans, offering support in technology management, strategy formulation & implementation of Emerging Technologies viz. AI, Blockchain, GIS etc., to facilitating digital diplomacy with focus on Indian startups and products

NeGD has been a leader in implementation and execution of a gamut of pilot/ infrastructure/ technical/ special projects and support components to framing core policies, project appraisals, R&D, and guiding /conducting assessments, undertaking activities for building capacities of both Government officials and] other stakeholders, and creating mass awareness about schemes and services under the Digital India Programme.

**NeGD is currently inviting applications for the following positions purely on Contract basis initially for a period of 2 years which is further extendable as per the requirement of the project.**

S. No	Position	Vacancy
1	PHP Laravel Developer	10

\* The maximum age limit shall be 55 years on the closing date of receipt of application.

\*\* The place of posting shall be in New Delhi but transferable to project locations of NeGD as per existing policy of NeGD/DIC.

**Last date for submission of applications will be: 05.08.2025**

<b>Job Title</b>	<b>PHP Laravel Developer</b>
------------------	------------------------------

<b>Location</b>	New Delhi
<b>Division</b>	NeGD
<b>Experience</b>	3+ Years
<b>Budget</b>	As Per Market standards
<b>Employment Type</b>	Contractual

### Job Summary:

NeGD is seeking a skilled and dedicated **PHP Laravel Developer** with a minimum of 3 years of hands-on experience in PHP, Laravel framework, and relational databases. The candidate will be responsible for designing, developing, testing, and maintaining web applications and platforms to support various e-Governance initiatives.

### Key Responsibilities:

- Develop, maintain, and enhance web-based applications using PHP and Laravel frameworks.
- Collaborate with cross-functional teams to define, design, and deliver new features.
- Write clean, scalable, and secure code following best practices and standards.
- Troubleshoot, debug, and optimize existing code and applications.
- Integrate front-end components with server-side logic.
- Manage and maintain databases, ensuring optimal performance, integrity, and security.
- Create and maintain technical documentation, code repositories, and deployment scripts.
- Ensure code quality through unit testing, code reviews, and continuous integration.
- Support system updates, patches, and troubleshooting for deployed applications.

### Required Skills & Qualifications:

- Bachelor's degree in computer science, Information Technology, or a related field.
- Minimum 3 years of professional experience in:
  - Core PHP and Laravel framework
  - MySQL/PostgreSQL or similar relational databases
  - RESTful APIs and web services
- Solid understanding of MVC architecture and OOP principles.
- Experience with version control systems like Git.
- Familiarity with front-end technologies (HTML5, CSS3, JavaScript, jQuery).
- Strong problem-solving skills and ability to work independently as well as in a team environment.
- Good communication and documentation skills.

### Preferred Qualifications (Desirable):

- Experience working in Government/PSU/large-scale e-Governance projects.
- Knowledge of other PHP frameworks (e.g., CodeIgniter, Symfony) will be an added advantage.
- Familiarity with DevOps tools and CI/CD pipelines.

**General Conditions applicable to all applicants covered under this advertisement**

1. Those candidates, who are already in regular or contractual employment under Central / State Government, Public Sector Undertakings or Autonomous Bodies, are expected to apply through proper channel or attach a 'No Objection Certificate' from the employer concerned with the application OR produce No Objection Certificate at the time of interview.
2. NeGD reserves the right to fill all or some or none of the positions advertised without assigning any reason as it deems fit.
3. The positions are purely temporary in nature for the project of NeGD/DIC and the appointees shall not derive any right or claim for permanent appointment at NeGD/DIC or on any vacancies existing or that shall be advertised for recruitment by NeGD in future.
4. NeGD reserves the right to terminate the appointments of all positions with a notice of one month or without any notice by paying one month's salary in lieu of the notice period.
5. The designation of the selected candidates shall be mapped as per the existing designation policy of NeGD.
6. In case of a query, the following officer may be contacted:
