Digital India Talk Show Engages 100 Students and Faculty at IIPS Mumbai

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology, successfully conducted a Digital India Talk Show at the International Institute for Population Sciences (IIPS), Mumbai on August 21, 2025. The event drew active participation from about **100 students and faculty members**, fostering awareness regarding India's ongoing digital transformation.

The talk show covered a range of key initiatives under the Government's flagship **Digital India Programme**, including:

- **DigiLocker** and **EntityLocker** for secure and seamless digital document management
- **Academic Bank of Credits (ABC/NAD-APAAR)** for academic record keeping
- The **Digital Personal Data Protection Act, 2023 (DPDP)** and essential **Cybersecurity** practices
- The **myScheme** portal for centralised access to government schemes
- **OpenForge, UMANG (Unified Mobile Application for New-age Governance)**, and
- Information on **internship opportunities** with NeGD

The engaging sessions were followed by a **Digital India Quiz**, which saw enthusiastic participation; winners were awarded with gift hampers as well.

The Digital India Talk Show forms a part of NeGD's ongoing efforts to empower the youth by spreading digital awareness and encouraging active involvement in India's digital economy and governance.
