

NeGD, MeitY Showcases Marquee Digital Initiatives at India Mobile Congress 2025

The National e-Governance Division (NeGD), Ministry of Electronics and Information Technology (MeitY), Government of India, actively participated in the 9th edition of the India Mobile Congress (IMC 2025) held from October 8 - 11, 2025, at Yashobhoomi, New Delhi.

The Digital India Pavilion at IMC 2025 showcased an array of transformative digital initiatives and projects integral to India's digital governance and public service ecosystem.

Key highlights included live demonstrations and interactions related to flagship projects such as Digilocker and EntityLocker, UMANG, myScheme, ABC-NAD, My Bharat, LokOS, e-Sanjeevani, and allied initiatives designed to enhance digital inclusion, seamless service delivery, and citizen empowerment. MyGov's Mann Ki Baat booth also attracted visitors as they revisited the engaging episodes.

The MeitY Pavilion which also included participation from prominent allied organisations such as the IndiaAI Mission, Software Technology Parks of India (STPI), MeitY Startup Hub, C-DAC, C-MET, SAMEER, NIXI, DLI-scheme linked projects viz. the VEGA processors, and other associated startups working in electronics manufacturing & cybersecurity domains garnered significant acclaim, winning the Best Exhibitor- Government Award, recognising the engaging and innovative showcase of India's technological journey and the country's digital transformation efforts.

A special focus was on startups in the domain of Artificial Intelligence, IoT, Blockchain, Cybersecurity, FinTech, AgriTech, and Data Analytics. Startups such as Daakia, Nav Prayukti, Matference (CGreen), and Garudalytics presented technology-led solutions in these sectors.

In his remarks at the event, Secretary, MeitY, Shri S. Krishnan emphasised the government's commitment to leveraging digital technologies for inclusive growth and innovation, highlighting the successes achieved through public-private partnerships and the importance of creating a level playing field for all stakeholders.

With this showcase at IMC 2025, MeitY reiterated its commitment to advancing India's digital infrastructure, fostering new digital services, and promoting the upcoming India AI-Impact Summit 2026 to drive responsible and sustainable technology adoption.
