The National e-Governance Division (NeGD) is an independent business division under the Digital India Corporation, Ministry of Electronics and Information Technology. NeGD has been playing a pivotal role in supporting MeitY in Programme Management and implementation of e-Governance projects and initiatives undertaken by various Ministries/ Departments, both at the Central and State levels.

NeGD has been spearheading several innovative initiatives under the aegis of the Digital India Programme. Those have been developed keeping the vision areas of Digital India at the core- providing digital infrastructure as a core utility to every citizen, governance and services on demand and in particular, digital empowerment of the citizens of our country; some of these initiatives include DigiLocker, UMANG, Poshan Tracker, OpenForge Platform, API Setu, National Academic Depository, Academic Bank of Credits, Learning Management System.

It has myriad roles and responsibilities from supporting Central Line Ministries and State Government Departments on e-Governance projects, reviewing State Action Plans, offering support in technology management, strategy formulation & implementation of Emerging Technologies viz. AI, Blockchain, GIS etc., to facilitating digital diplomacy with focus on Indian startups and products

NeGD has been a leader in implementation and execution of a gamut of pilot/ infrastructure/ technical/ special projects and support components to framing core policies, project appraisals, R&D, and guiding /conducting assessments, undertaking activities for building capacities of both Government officials and] other stakeholders, and creating mass awareness about schemes and services under the Digital India Programme.

NeGD is currently inviting applications for the following positions purely on Contract basis initially for a period of 1 year which is further extendable as per the requirement of the project.

Sr. No	Position	Vacancy
1	Full Stack Developer	01

* The maximum age limit shall be 55 years on the closing date of receipt of application.
** The place of posting shall be in New Delhi but transferable to project locations of NeGD as per existing policy of NeGD/DIC.

Job Title	Full-Stack Developer
Location	New Delhi
Division	NeGD
Experience	5+ Years
Number of Vacancies	01

Job Summary:

The National e-Governance Division (NeGD), under the Ministry of Electronics and Information Technology, is seeking a skilled and experienced Full Stack Developer to contribute to the development of scalable, secure, and high-performance digital platforms for government use. The role involves working with Laravel (PHP 8+, Laravel 11,12), MySQL, and frontend technologies such as Bootstrap, Blade, and React.js. The ideal candidate will have strong expertise in full-stack development, RESTful API integration, and implementing complex workflows in a multi-stakeholder environment.

Key Responsibilities:

- Design, develop, and optimize backend modules using **Laravel (PHP 8+, Laravel 11,12),** ensuring modularity and scalability
- Develop and maintain RESTful APIs and integrate existing APIs.
- Build responsive UI components using Blade, Bootstrap 5, HTML5, CSS3, JavaScript, and jQuery
- Develop interactive dashboard components using React.js
- Manage user workflows including role-based access control (RBAC) and session handling
- Collaborate with UI/UX, DevOps, QA and Project Management teams to ensure timely feature delivery
- Optimize and manage MySQL schema and queries for large-scale datasets
- Use Git (GitHub/GitLab) and CI/CD pipelines for clean and versioned deployments
- Implement and manage Amazon S3 storage for secure file upload, retrieval, and deletion, including configuration of S3 buckets, IAM permissions, presigned URLs, and storage lifecycle policies
- Ensure adherence to GIGW 3.0, CERT-In, and accessibility/security standards
- Ensure code quality, performance, and security of the applications
- Participate in requirement analysis, system architecture, and technical design discussions
- Write clean, modular, and well-documented code, following modern development standards
- Troubleshoot and debug issues, implementing fixes and performance improvements across layers
- Adhere to software development best practices and agile methodologies

Required Skills and Qualifications:

- Bachelor's degree in computer science, IT, or related field
- Minimum 5 years of hands-on experience in full stack development
- Expertise in Laravel (PHP 8+) and MySQL, including schema optimization
- Strong knowledge of HTML5, CSS3, JavaScript, jQuery, Bootstrap, and other modern front-end tools
- Experience using AI-powered tools for development, code generation, testing, documentation, or productivity enhancement (e.g., GitHub Copilot, ChatGPT, Postman AI)
- Proven experience in both developing and integrating RESTful APIs, including third-party or government APIs
- Hands-on experience with React.js for building dashboards or dynamic user interfaces
- Experience integrating Power BI dashboards or frontend visualization libraries
- Understanding of RBAC, secure authentication, and session/token management
- Working knowledge of Git-based version control systems, CI/CD workflows, and modern deployment tools (e.g., GitLab CI, Laravel Forge)
- Implement and manage Amazon S3 storage for secure file upload, retrieval, and deletion, including configuration of S3 buckets, IAM permissions, presigned URLs, and storage lifecycle policies
- Exposure to Agile development and cross-functional team collaboration

General Conditions applicable to all applicants covered under this advertisement

1. Those candidates, who are already in regular or contractual employment under Central / State Government, Public Sector Undertakings or Autonomous Bodies, are expected to apply through proper channel or attach a 'No Objection Certificate' from the employer concerned with the application OR produce No Objection Certificate at the time of interview.

2. NeGD reserves the right to fill all or some or none of the positions advertised without assigning any reason as it deems fit.

3. The positions are purely temporary in nature for the project of NeGD/DIC and the appointees shall not derive any right or claim for permanent appointment at NeGD/DIC or on any vacancies existing or that shall be advertised for recruitment by NeGD in future.

4. NeGD reserves the right to terminate the appointments of all positions with a notice of one month or without any notice by paying one month's salary in lieu of the notice period.

5. The designation of the selected candidates shall be mapped as per the existing designation policy of NeGD.

6. In case of a query, the following officer may be contacted:
