NeGD Conducts Training Session in Collaboration with the Ministry of Ayush to Promote Adoption of DigiLocker and EntityLocker Across the AYUSH Ecosystem

New Delhi; November 13, 2026: The National e-Governance Division (NeGD), in collaboration with the **Ministry of Ayush, Government of India**, conducted a training session on the adoption of DigiLocker and EntityLocker across the AYUSH ecosystem on November 13, 2026. The session was participated by 50+ officials from various departments and stakeholders across the AYUSH ecosystem.

Prof. (Dr.) Mahesh Kumar Dadhich, **Chief Executive Officer (CEO), National Medicinal Plants Board (NMPB), Ministry of Ayush, Government of India**, shared valuable guidance on exploring integration opportunities for DigiLocker and EntityLocker across the AYUSH ecosystem. He highlighted the importance of leveraging digital platforms to streamline document management and facilitate convenient access to authentic digital documents.

The training session provided an overview of features, functionalities and benefits of both platforms, along with insights into their potential applications within the AYUSH ecosystem.

The session aimed to encourage wider adoption of DigiLocker and EntityLocker among AYUSH institutions and stakeholders, enabling efficient, secure and paperless access to digital documents while strengthening digital governance across the sector.

Through such capacity-building initiatives, NeGD, in collaboration with concerned ministries and departments, continues to support government institutions in leveraging Digital Public Infrastructure (DPI) to enhance service delivery and advance the vision of Digital India.
